Parish Assembly 2017

Sr Kari Hatherell, Facilitator of our Parish Assembly, has prepared a brief [Report](#) outlining key areas for future planning and development based on the priorities identified by parishioners who participated in the Assembly.

The [data gathered at the assembly](#) and the [National Church Life Survey](#) held last November in our parish formed the basis of the report.

All parishioners are invited to consider ways in which they could contribute to the various working parties which will be established in the coming months. We look forward to a revitalised, re-invigorated and renewed parish over the next five year period.
